

THE MUNICIPALITY OF THE VILLAGE OF LIONS BAY

Public Consultation Meeting Underground Wiring & Beautification in Lower Lions Bay ~ Wednesday, March 10 ~ 7 to 9 pm ~ Community Hall

To all residents of Southview Place, Cloudview Place, Seaview Place and Lions Bay Avenue:

You are invited to a Public Consultation Meeting being held on Wednesday, March 10th at 7pm in the Community Hall. The purpose of this meeting is to give residents the opportunity to provide input and discuss the options of an underground wiring project. This could coincide with the replacement of the water mains in the lower Lions Bay area encompassing the above mentioned streets which is scheduled to begin later this year.

John Jessop from BC Hydro will present what the options might look like as well as present the costs associated and answer any questions residents might have in this regard.

Age Friendly Consultation Workshops (2 meetings) ~ Saturday, March 13 ~ 9:30 to 11:30 am ~ Community Hall and ~ Saturday, March 20 ~ 9:30 to 11:45 am ~ Community Hall

We are looking for a Working Group of 20 – 25 Lions Bay residents who fall into three categories:

1. People who are older and actively looking (or soon to be looking) for housing options different from what they have now,
2. People likely to be contemplating a change as above, within about five years,
3. General community members of any age who are interested in housing for aging citizens.

Please indicate your interest to Rory Mandryk, Village Manager at admin@lionsbay.ca
or call 604-921-9333.

Public Consultation Meeting Community Centre ~ Wednesday, March 17 ~ 7 to 9 pm ~ Community Hall

Everyone is invited and encouraged to attend, to provide input and identify preferences for structure, location and potential uses. Community Questionnaire results will be provided.

Participants will be asked to brainstorm ideas and will have input as to preferred choices.
